EC Purchasing, a subsidiary of Fidelity National Financial (FNF), a \$5.5B publicly traded company based in Jacksonville, Florida. We started our business in 1999 to allow our members to benefit from the national account prices that are traditionally only available to America's largest organizations.

As we embark upon our 12th anniversary in business, we are pleased that over 80,000 business members have improved their profitability with significant discounts from well-known companies including FedEx, UPS, Verizon Wireless, Xerox, Canon, AT&T Mobility, Hertz, Office Depot, Staples and many more.

Why Are We Offering You Discounts?

By utilizing the combined purchasing volume of both FNF and our members, we have dramatically increased our negotiating power with our national suppliers. As a result of increased business for our key vendors, FNF and our members enjoy larger discounts.

Why become a member?

There are NO COSTS, NO OBLIGATIONS and NO MINIMUM ORDERS required for membership. An EC Purchasing Membership provides the opportunity to review prices, validate current agreements, purchase directly from "premier" pricing sites and "register" for special pricing when it benefits your organization. We are constantly adding to the list of companies that provide our members with discounts up to 60% and encourage them to visit our website often to ensure they are benefiting from all savings possibilities.

CUSTOMER TESTIMONIALS

**Jay M. House Senior Vice President of Operations
Frederick County Bank**

"Our EC Purchasing relationship has provided Frederick County Bank and our employees with significant cost savings with very little effort. We've saved immensely on existing vendor relationships, such as Staples, FedEx, Verizon Wireless, Sprint, HP, Dell and Office Depot just by enrolling in

the EC Purchasing program and continuing to utilize services as we always have. Employees are very excited about the program as well, as they have also enjoyed the savings on personal purchases or services by enrolling in the ECP Associate program. It's a "win-win" solution for the Bank and employees."

**Kevin Cash Chief Financial Officer
Baker & Hostetler LLP**

"As a result of our relationship with ECPurchasing which began in 2006, Baker Hostetler has reaped the benefits of significant cost savings in several key operational areas. We save substantially off of list prices with our shipping vendors, UPS and FedEx. We recently received greatly discounted pricing on copiers across the Firm. Travel benefits include

free Hertz Gold memberships, discounted car rentals and hotel rates. They also offer great discounts with vendors such as Dell and most cellular providers. All of these benefits were at no cost to us. The enrollment process was seamless, simple and quick. Our support team at ECPurchasing has been extremely helpful and has provided outstanding customer support."
